

WSU Spokane County 4-H Extension
Summer Shotgun Sports (and Science) Program Registration Form

Who: This camp is open to youth 10 to 19 years of age entering 5th grade or above in 2009. Youth do not need to be enrolled in 4-H to participate.

When: We will meet every Thursday from 5:30 to 7:30 pm (we may adjust the time depending on our group's needs) through the middle of August. Our first meeting is scheduled on June 25th at the Extension Office at 5:30 pm. We will take care of registration, review the schedule, and begin our preliminary safety general instructions on the 25th.

Where: Our plan is to rotate between meeting/shooting at the Spangle Gun Club and the Spokane Gun Club (the former is confirmed, the latter is not). We would like to use two different sites to make it equally convenient for west side and east side Spokane kids. At least two meetings will also be held at the Extension Office at 222 N Havana in Spokane.

What will we do?: We will concentrate on firearms safety, basic shooting skills, basic knowledge of shotgun shooting sport/games/opportunities, shooting practice, individual and group development, basic record keeping, GPS applications (Global Positioning System...science), ballistics and water-bottle rocketry (more science).

Cost: \$55 preregistration by June 24 (in the Extension Office). \$65 day-of and late registration. Use of shotguns, ammunition, and range fees are included in the registration cost. Shooters should plan to bring their own safety glasses and ear plugs (we will have some extras to start.)
